

# YOUR GUARANTEES

FOR SUSPENSION TYPE INTRA AND MODUL  
UP TO 9 TONNES AXLE LOAD IN EUROPE AND NEW ZEALAND

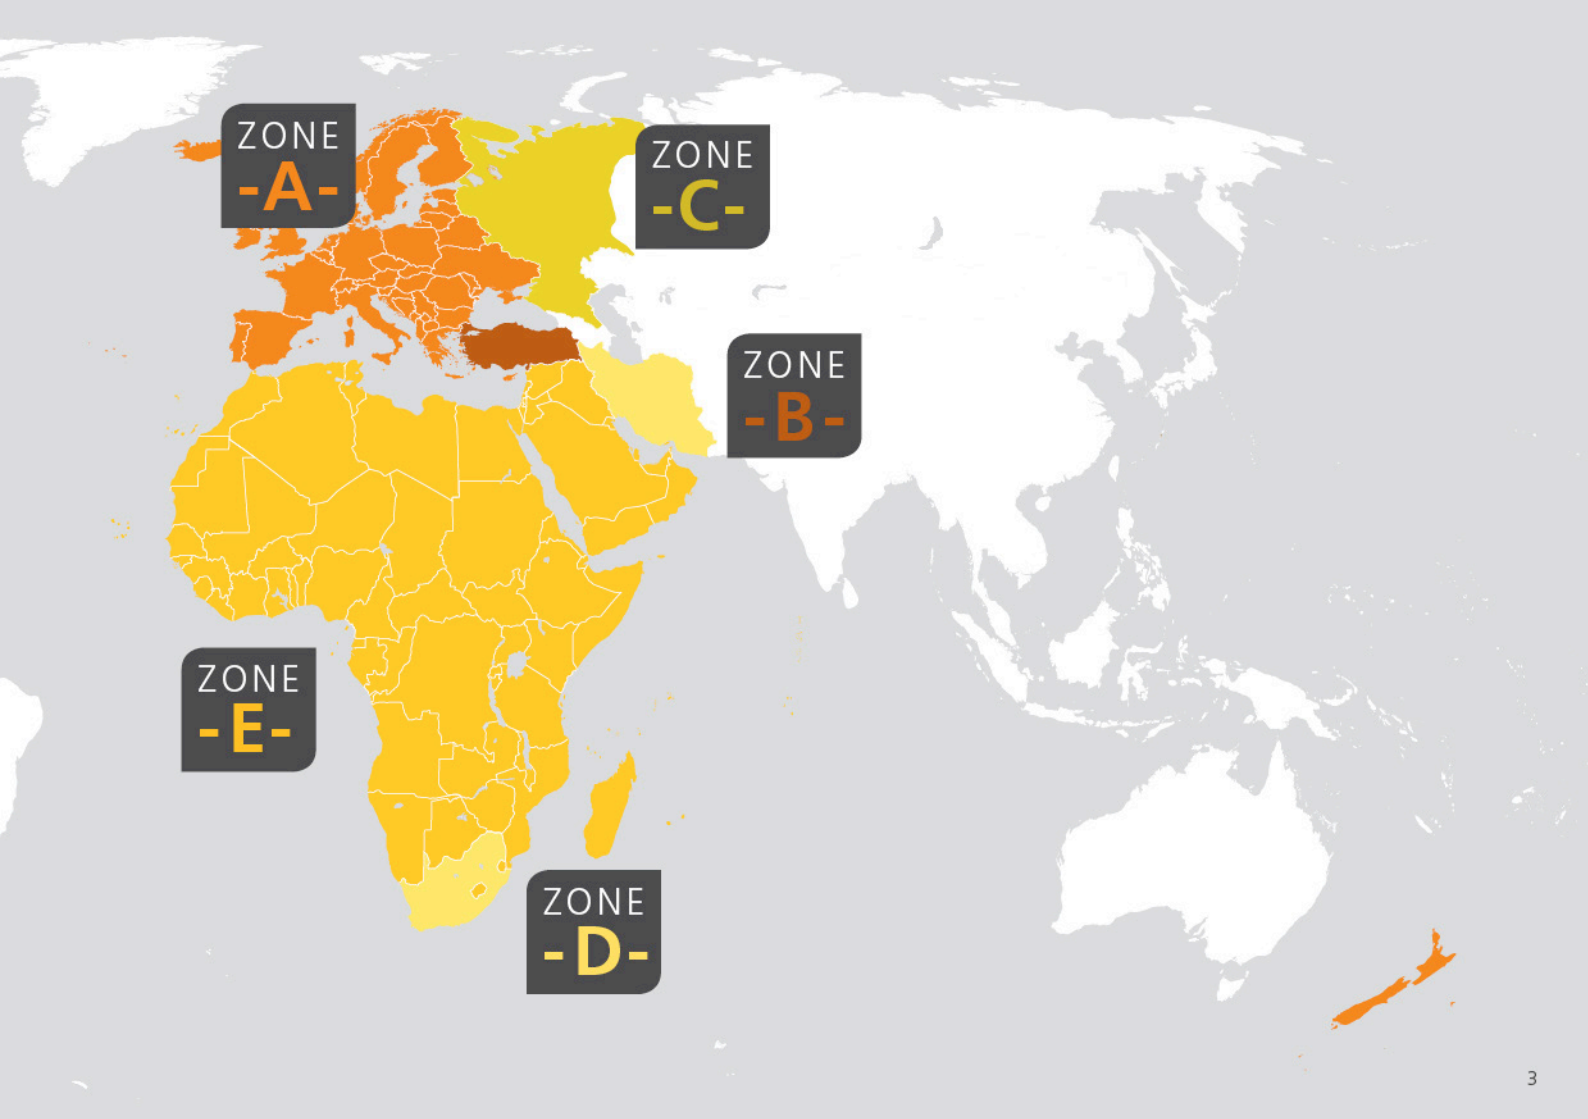

# WE BELIEVE IN QUALITY.

With the help of further development of our products and the constant improvement of our quality standards, we are able to **double** and **treble** the length of the **warranty period** – simply, with no further service inspection and largely no **mileage limitation**.

Find out which guarantee you will receive for your INTRA and INTRA CD and the MODUL suspension in the respective region from January 2017.

The guarantee zones are based on the vehicle approval country.

#### GUARANTEE

6 years

#### SAF INTRA CD

*Specially optimised for specific transport requirements and poor road conditions.*

#### GUARANTEE

6 years

#### SAF INTRA

*The INTRA family has set new standards – both at home and on an international level. Today, after having been proven and tested millions of times, it is distinguished by its particularly high economic efficiency. Precisely matched to the specific transportation task, INTRA provides – in its different versions – ideal and above all safe solutions for the 9-t range. And does so regardless of which area of application is required – for less wear and tear and more planning reliability.*

#### GUARANTEE

3 years

#### SAF MODUL

*Thanks to numerous combination options, you receive an optimal suspension system for your transport tasks.*
